

2024 REGISTRATION FORM

TO REGISTER

E-mail the completed registration form to:
nta@nora.com

Registration Information

Registration Fee: The \$400 registration fee per attendee will be refunded upon completion of the training.

Cancellation: If a registered attendee cannot make the training, a substitute may be sent in their place.

A refund will not be given if you are unable to fill the space.

The nora Technical Academy begins at 8:00 am on the first day of training.

Attendees should bring their knives and knee pads to use during training.

1 Experience

This course is pass/fail. A minimum of 4 years of commercial resilient flooring experience is necessary to pass. Attendees will be required to demonstrate proficient skill sets in flash coving and heat welding.

Mark the number of years experience in the following:

_____ commercial resilient flooring installation _____ flash coving _____ heat welding

Check here if renewing your nora® Approved Installer status.
