

nora TECHNICAL ACADEMY

Attending the nora Technical Academy

The objective of the nora® Technical Academy is to:

- Provide you with the latest industry developments
- Enhance flooring installers knowledge so they may provide professional, skilled flooring installation services to your clients
- Eliminate installation failures and the need for costly repairs

nora Technical Academy Advantages

- The latest installation techniques including:
 - Adhesive methods
 - Heat weld
 - nora dryfix™
 - Flash coving
 - nora® nTx™
 - Sanitary base
 - Seam cutting
 - Stair treads
 - Cold weld
 - Vinyl Sheet
- The latest industry standards - including moisture testing and installation requirements
- Tools for substrate preparation
- Extensive hands-on training

Upon successful completion, attendees will receive a nora photo ID card confirming their status as a nora Approved Installer. Renewal of the photo ID card is subject to any additional training for new installation techniques every 3 years.

Program Details

The nora Technical Academy is for experienced flooring installers. A minimum of 4 years of commercial resilient flooring experience is necessary to pass.

6 attendees are accepted per class and each class is held over a period of 3 days:

Day 1: 8:00am – 5:00pm

Day 2: 8:00am – 5:00pm

Day 3: 8:00am – 3:00pm

Specialized tools will be provided.

Cost and Registration

There is a \$400 registration fee per attendee, which will be refunded upon completion of training. If a registered attendee cannot attend the training, you may send a substitute. Refunds will not be provided if you cannot fill the space.

Airfare costs and flight arrangements are the responsibility of the attendee. nora will pay for the following expenses:

- Transportation to and from the airport, hotel and nora Technical Academy
- 3 nights hotel stay
- Lunch (3)

Proper COVID-19 precautions will be followed, including mask wearing and social distancing.

Take your organization of flooring installers to the next level. Contact your local nora Representative, or the nora Technical Department at 800-336-5096 prompt 3 or nta@nora.com to register for an upcoming class.
