nora **QuickShip**

nora®
by **Interface**®

Flooring you need, fast.

Available to ship within 15 business days, the nora®
QuickShip program offers an array of norament® and
noraplan® products in a variety of color and product
combinations, including ESD flooring, stair tread,
weld, and cove base options.

You need more than a floor. You need a supportive
space that works to improve operations, efficiencies,
health, safety and wellness. Made to the highest
standards of quality, durability and service, nora®
rubber flooring drastically reduces maintenance and
noise, provides added comfort underfoot and delivers
performance that lasts for decades.

norament® grano™

Rubber tile flooring combining a rich, contrasting granular design with a hammered surface for use in extremely heavy traffic areas. Select colors available as norament® grano™ ed - electrostatically dissipative flooring for optimum ESD protection of electronic devices and equipment. Both options resist most oils and greases and are suitable for forklift truck areas.

norament® stairtreads

Our one-piece stair coverings include stair nosing, riser and tread and are built to fit straight steps with an angled edge. norament stairtreads are designed to withstand extremely heavy traffic while maintaining their good looks. They are installed with nora® stepfix™ 240 double-sided dry adhesive tape–an immediate trafficking solution for an all-around fast turnover.

nora® **cold weld**

nora® 1-component cold weld was developed for use with nora rubber floor coverings. In general, nora flooring does not require welding as it does not contain phthalate plasticizers and does not shrink after installation. Unless specified, welding of norament and noraplan flooring is optional. It is recommended for special applications such as installation on moisture-sensitive subfloors, areas with permanent intensive wet cleaning, operating rooms and other areas with specific hygienic requirements, and vertical external corners.

QS nora QuickShip Guidelines:

▪ Timing: Ships within 15 business days

▪ Maximum Order Quantities

  · noraplan and norament flooring (neutral colors): up to 600 m² (~6,458 SF)
  · noraplan and norament flooring (accent colors): up to 100 m² (~1,076 SF)
  · norament stairtreads: up to 75 pieces
  · nora cold weld: up to 15 units
  · nora sanitary base: up to 5 rolls

▪ Minimum Order Quantities

  · noraplan rolls: one roll
  · noraplan tiles: one box
  · norament tiles: one tile
  · norament stairtreads: one piece
  · nora cold weld: one unit
  · nora sanitary base: one roll

▪ Product sizes standard as published; no cutting

▪ norament stairtreads: 4 ft standard treads only; no routing or VI

▪ No overages

▪ No holds

▪ No allocations to an order for more than 48 hours

▪ Inventory allocated upon credit approval

▪ Consider transit times for shipments to Canada and Latin America

Why nora® rubber flooring?

Reduced Maintenance
Little more than water needed - no finishes, coatings or harsh chemicals necessary.

Quiet Acoustical Performance
Attenuate noise pollution.

Durable Surface
Withstand extreme stress from heavy rolling loads and wheeled traffic.

Ergonomic Design
Add comfort underfoot, reducing foot and leg pain.

Superior Slip Resistance
Help to create safer spaces.

Supports Infection Control
Disinfect completely due to a dense, non-porous surface.

Cradle to Cradle Certified® Silver
Certification of whether a product is safe, circular and responsibly made. Applies to nora 926 and 913 recipe flooring and stair treads.

Carbon Neutral Floors™
Third party verified carbon neutral throughout its entire life cycle as part of Interface's Carbon Neutral Floors program. Learn more at interface.com/carbonneutral

GREENGUARD Gold
Certified low VOC emissions.

Integrated system

nora and Interface cover every area of your building – all from a single source. Create harmonious, space-specific design with our system of soft and resilient floor coverings, including special floorings, stairtreads and accessories.

Outstanding service

From design to post-installation, we have the experts to support your project at every step and can even be a valued resource for your organization's sustainability mission.

For additional information regarding usage in recommended applications, contact us or visit nora.com.
